MEMORANDUM FOR: Chief, Management Support Division

SUBJECT : Proposed Language Control Register

The presentation to the Language Development Committee (LDC) on the proposed Language Control Register on 16 June by Messrs. [REDACTED]

25X1

[REDACTED] is much appreciated. It clarified many of the issues that have bothered members of the Committee since the new regulation on the Language Development Program was published. The LDC is in agreement with the general concepts of the plan which we understand will ultimately be integrated into the Human Resources record system. Please advise me of anything that we can do to help in developing or implementing the project.

Chairman, Language Development Committee
